Opening hours:- Monday to Friday 5.30am - 5.00pm / Saturday 5.30am -1.00pm / Sunday 7.30am - 12 noon / Public holidays 5.30am - 12 noon.

The final stage of the Corryong Streetscape Project has commenced. Last week, new lighting was installed

along the Hanson Street median strip and footpath works have begun in areas currently protected by green covers.

Council also received advice from VicRoads on Monday that resealing works on Hanson Street would start the following day.

The works are expected to take two weeks and temporary road closures will apply with diversion

routes in place.

Tree planting along the median strip and main street is also expected to commence within the next fortnight, weather permitting. Short-term traffic controls may be in place while this work is completed.

The Corryong Streetscape Project is expected to be fully completed following the resurfacing of Hanson

by VicRoads, Street concreting at the roundabouts at both ends of Hanson Street and resealing of the car parking areas.

"I know this has been a long time coming and I'd like to thank the community for their patience and understanding," said Towong mayor, Cr Andrew Whitehead.

Council had intended

to complete the resealing of the car parking using the same contractor to minimise disruption to businesses. However, due to timing and cost, this was unable to be achieved.

"Council will separately contract the resealing of the car parks," Cr Whitehead said.

"When the dates for the carpark resealing are confirmed, we will update the community."

Councils say farmers still need more help

Rural Councils Victoria (RCV) has acknowledged some breakthrough wins delivered by the Victorian government's Drought Taskforce, Response while warning significant challenges remain unresolved. The government has agreed to speed up access to interstate fodder, expand fodder delivery and fast-track routes kangaroo control permits for rural landholders. "These are steps in the right direction but there's still a mighty long way to go," said RCV deputy chair Cr Kate Makin, who is a member of the taskforce. "RCV has been in constant dialogue with

communities require."

Towong Shire mayor, Cr Andrew Whitehead, at said that "We are pleased with the government's announcement to provide tax. a 12-month pause on the increased Emergency Services and Volunteer Fund Levy (ESVFL) for all primary producers. "This decision follows strong advocacy from local councils, community members and those who signed petitions and participated in protests. "While this is a positive step, council continues to oppose the ESVFL and is calling on Premier Jacinta Allan to meet with rural councils to discuss a fairer path forward. "If you haven't done so she said.

help us continue the push for meaningful change www.change.org/p/ protect-farmers-and-ruralfamilies-from-unfair-new-

Cr Makin added that emergency water supplies, there were key matters including assistance with the taskforce still needed delivery to deliver on including subsidised council rates, fair loans and ongoing council supports. "We need to be talking about how to deliver fullyfunded rate subsidies for primary producers in drought zones, zero interest loans that don't need to be matched by farmers and direct funding for councils to boost local support programs and infrastructure spending," "These are common sense measures that would

help farmers and local economies immediately." Other challenges raised

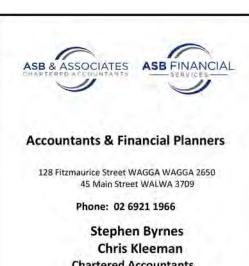

by rural councils include the need for:-• Greater access to

Remembering a night at the 'flicks'

In the mid 1950s the old weatherboard Athenaeum Hall in Corryong was to be demolished, to make way for the new Memorial Hall.

Bill Newman owned the projection equipment and showed movies in the old hall on a weekly basis. During the rebuilding,

Bill moved the projection equipment to the Uniting Church Hall. The projection room

was built on top of the porch at the front of the hall. Because of the low ceiling, the stand was removed from each projector and it was set very close to the floor. A false floor was built in the hall to raise the back few rows of seats.

Local business owner Jack Hobbs and Dr Harbison along with the community were instrumental in the construction of the new Memorial Hall.

A purpose built projection room and 'film winding' rooms were included, remaining to this day. On completion of the hall, the committee decided to purchase their own projection equipment and show pictures to help pay for the hall. Two 1933 Bauer 35mm

projectors (pictured) were purchased from a theatre in Melbourne. The equipment consisted of the movie projectors, a slide projector and an amplifier. The rewind room was also set up with necessary equipment to wind and splice film.

Some of the projectionists were Wally Bailes, Garry Sheather and Darryl Conway.

Bill Newman was then looking for a hall to show pictures in Corryong.

The Tregilgas family funded and built the Donaldson Street cinema and Bill moved his equipment in there and showed pictures for a number of years.

Corryong then had two theatres working in opposition!

John Wayne at one theatre, Doris Day at the other - two theatres showing movies three nights a week and you often had to book your seat. These were the days of the construction of the Snowy Mountains Scheme.

Movies were shown three nights per week with the inclusion of a kiosk selling a range of goodies including Jaffas, liquorice sticks, Dixie and wafer ice creams, Crumble bars, jelly beans and coke in real glass bottles.

The old treasurer's book reveals kiosk takings averaged \$32 per night. Memories of Nell Sangster with her torch searching for Jaffa throwing culprits readily come to mind.

Sadly, pictures ceased at the Memorial Hall in 1974. To replace kiosk income Friday night 'chook raffles' at a local hotel began.

In 2006 Garry Sheather visited the Greater Union Theatre in Melbourne and was completely surprised to see, on display in the foyer, the actual projector used at the Memorial Hal. Attached was a plaque verifying same, however it was now owned by Brian Davis.

After considerable effort contact was made with Brian. As a collector he still owns the Corryong equipment. It is stored away in his shed along with other collected equipment. The purchase was made 'sometime' during 1974/75 for 'about' \$2000'.

The Bauer 35ml Standard 5 model projector was built in Germany in 1935 and converted for cinema use. The light in

the projector came from a carbon arc, similar to an electric welder. Two carbon electrodes end to end, were brought together until they touched and arced and then kept about 5-6 millimetres apart with a small drive motor. The electrodes had to be replaced every two or three spools of film.

Thanks go to Garry Sheather for his time and effort in researching an interesting time in the history of the Memorial

Appreciation must also go to all the community members here and gone, over the long history of the hall for their wisdom, foresight, time and effort in the construction and maintenance of such a magnificent 'city' hall in a small country town.

If any parts of this article are incorrect, can be added to or a memory emerges please contact 0428 226 874 or a member of the hall committee.

Parliament has sat too long for too little

I was disappointed but not surprised to hear from Rural Finance that despite the Victorian government's Drought Infrastructure Relief Grant being announced some three weeks ago, Rural Finance can only register applications from farmers.

This is because the government has not yet managed to get itself sufficiently organised to allow Rural Finance to process applications.

Furthermore, Agriculture Minister, Ros

Spence, references on her parliamentary website the areas of public policy about which she is most passionate including education, multicultural affairs, youth, suburban development, community sport and the prevention of family violence.

In the 'Meet Ros' section of the same website there is not one mention of agriculture!

Does she not understand that farmers are simply trying their best under extreme conditions to produce food for the nation? No wonder Victorian farmers have lost all confidence in Minister Spence. I can only echo Oliver Cromwell in 1653 when he assembled an armed force, entered the House of Commons at Westminster and declared to the Rump Parliament sitting there "You have sat too long for any good you have been doing lately. In the name of God, go!"

Like our present Victorian parliament, that congress was primarily concerned with legislation ensuring its own survival. Mark Auchinleck, Towong.

Hearty boost In 2024 a 'Push-A-Thon was held to raise a target of \$11,000 to go towards the purchase of a muchneeded heart monitor for Corryong Health.

The event was a reenactment of one held in 1972 to raise money for our local hospital (see picture).

Many local groups, as well as residents and staff from Corryong Health, participated in pushing a variety of carts to the opening day of our local Agricultural Show. Fancy Dress was the order of the day.

Since that event we have received some very generous donations from

Recently Rotary and 'Rise from the Ashes' have increased this amount to \$19,500.

This will now enable Corryong Health to purchase a new cardiac monitor.

A very big thank you to everyone.

Processor bumps up milk price

Saputo Dairy Australia (SDA) has announced a step-up for the 2025-26 season of \$0.15 per kgMS for suppliers in the Northern region, South-West Victoria and South Australia and \$0.20 per kgMS for suppliers in Gippsland and Tasmania.

This step-up applies to suppliers who have, or elect to, enter into an exclusive Milk Supply Agreement as published on SDA's website.

With this adjustment, SDA's weighted average milk price is \$9.00-\$9.10 per kgMS for exclusive supply in the Southern region (being Gippsland, South-West Victoria, South Australia, the Northern region and Tasmania).

Kate Ryan, Director of Milk Supply and Planning, said SDA had listened to its suppliers' feedback since recently releasing its opening weighted average milk price.

"We remain committed to offering a competitive milk price for our loyal supplier base and this early step-up reflects a considered position based on market conditions," Ms Ryan said.

"As always, we will continue to review our milk prices throughout the season."

The above prices are a weighted average across SDA's supply base.

With a maximum forecast of seven degrees, five dedicated (or crazy) golfers hit the fairways in clearring drizzle to contest a stableford event played off the red tees.

It was a welcome return to form for the winner Lance Noonan. carding 33 points on the adjusted handicaps. Rob Cox claimed second place with 28 points, one clear of Paul Land and Jono Lebner. Tony Jarvis started the day with a fine birdie on the first but failed to capitalise.

On Sunday, after three rounds of golf and braving wintry conditions, ladies completed the annual Club their Championships (best two of three rounds).

After a 12 month hiatus due to injury, it was great to see Ilma Clarke back to her best to win the A grade category with a gross score of 192/nett 146.

The B grade winner was Ros Sheather (gross 231/nett 158) with one of our new players, Tania McInnes (gross 272/nett 184), taking out C grade. The award for the lowest number of putts went to Joy Bennetts (55).

Congratulations to all players willing to brave the cold with a special thank you going to Graham Pfeiffer who ensured the course was in good condition for play.

There will be a special event this Sunday 22nd June when the Captain's team will play the President's team for the honour of holding the Norma Paton Cup.

Norma and her husband, Athol, were stalwarts of the club over many years. Norma's hard work in both the administration of the club and the promotion of women's golf was recognised by the naming of the trophy in her honour.

The event will be played over 18 holes with the team scoring the greatest number of stableford points being declared the winner.

Five foolhardy golfers braved the elements at Welaregang on Sunday - (from left) Lance Noonan, Tony Jarvis, Paul Land, Jono Lebner and Rob Cox.

Continued from page 9:- U12:- Unfortunately. Tumba had to forfeit as they had only two players make the trip. We were still keen to see the kids have a game so the parents stepped up to take them on in a kids v adults game.

With too many highlights to mention it was a lot of fun and I think both kids and adults thoroughly enjoyed the game. It was a real credit to all the parents involved that helped make it possible.

U14s:- The boys had a great contest against their much bigger Tumba opponents. There is no question what we lack in size we make up for in heart. Our tackling was again as strong as ever and our game plan is starting to come together.

There were some great passages of play where we worked for each other and transitioned the ball nicely. However, Tumba was just a bit too powerful on the day. To the boys credit

Cudgewa defender Charlotte Star snares the intercept.

though they never gave up until the final siren.

Best: Connor, Jack, Mackinley, Harry, Mitch and Tom. Netball

A Grade:- We proved too strong for Tumba, taking the lead early and running with it all game. Turnovers and intercepts were swiftly converted to extend the lead.

The pace and experience through the mid court of Shonny Green and Jo Beirs was on full display. Meggo Nankervis and Hatty Mackinnon put together another great game including Marlie McLean in the mix, who stepped up with no hesitation. A great example of the many up and coming junior players.

Charlotte Star, Mal Nankervis. Charlotte Sutherland and Eilysh Thompson put the pressure on all game making Tumba

always a pocket rocket but they still managed in WD and Jess Shanks, Emily Boyle and Bella McKimmie through attack show many individual strengths that complement each other. Pip Brown is always a pillar in goals with Marlie McLean and Gemma McNamara also rotating through the arc, their movement in the ring always improving and hard to defend. Players' Player - Marlie

McLean, Black Sheep -Sarah Albert. C Grade:- Another brilliant game by our ladies. Tumbarumba is always a tough side to play against and they certainly made us work for every goal with their very tight and knowledgeable defence.

Our ladies played beautifully together with Chloe Land, Ruby-Jean and Tayla Pierce keeping the attackers on their toes in defence while our mid courters Izzy, Taylor, Ava and Shannen fed the ball down the court and in to our goalies Quinn and Brie. We set some little goals after each quarter and it was brilliant to see our team hit these targets each quarter.

plenty of tips on the ball through the centre from some strong mid-court defence to cause turnovers and then to convert into goals. There was some beautiful plays down the court which shows the hard work they've been doing at training

In round one we took a loss of 11 goals and this time we steamed home with a six-goal turnaround for a two goal win absolute superstars!

Awards: Coach-Belle McVean, 2nd - Pip Faithful, 3rd - Claire Jarvis, Players' Player-Indi Stephens.

12&U:-Another challenge was handed to Tumba, in the cold crisp air and surrounded by the fog. The girls went on court with almost every part of their little bodies shivering and big smiles on their faces. While the score saw the girls lose by 23, they continued to use all that we had worked on at training and doing their absolute best to adjust play. We had a few changes throughout, where we found another couple of combinations in both the defence and shooting rings that will see the girls develop their ability to be all rounders on the court!

work for every pass and goal.

Awards: Players' Player - Jo Beirs, Black Sheep - Meggo Nankervis. B Grade:- The girls put together yet another great win.

Sarah Albert, Fleur Thompson and Eilysh Thompson were too strong rotating through GK and GD, all three taking many tips and intercepts and adjusting their techniques to fit their different opponents.

15&Unders:- We had a slow start against Bullioh but once the blood started pumping and we warmed up we were able to get ourselves into the game.

The girls lifted and were able to outscore Bullioh in the second half making the most of intercepts and turnovers.

The defence worked tirelessly keeping pressure on the shooters and the midcourt was toiling hard making space and creating opportunities and transitioning the ball from defence to attack.

Once our shooters warmed up they were on fire getting rebounds and holding the defence when needed.

Well done to everyone. Awards: Black Sheep - Leah Twigg, Upper Murray Pizza - Ziarn Johnstone, CUC - Mabel Edwards, Sportspower -Matilda Sandilands.

D Grade:- The girls secured their first win of the season 22-23 with a hard fought and well deserved victory! The match was intense from start to finish but the team stayed composed under pressure and the girls kept a positive attitude the whole way through.

Mabel and Sandra were outstanding in the goal ring, working together beautifully and really finding their rhythm. At the other end of the court, Kerrie, Renee, Cass and Reagan put on a show in defence, applying great pressure and making it incredibly difficult for the opposition to find their

flow. It was a full team effort and the girls should be proud of their performance and growth. A fantastic game and an exciting step forward for the season -

well done, ladies! BOC Mug and Sportspower - Renee De Clifford, IGA voucher -Cass Hennessy, Pickled Parrot - Kerrie Twigg.

C Grade:- We had an unfortunate loss this week to Bullioh. Yolande Szery

Yolande Szery received our Mug award, working hard in all the different positions she was put in utilising her communication, defence and ball feeding skills all around the court.

Emily Lattanzio made a

great comeback to netball after an injury last year, receiving the other award. The silent assassin's defence is effortless, so

welcome back! We had a bench of ladies this week who played more than one grade, so thank you for filling in and well done to everyone adapting to new players when we're short in numbers. We'll get back on

track ladies but let's have positivity remain the key for us. Awards: BOC Mug and

Awards: BOC Mug and Sportspower - Yolande Szery, IGA voucher -Emily Lattanzio.

B Grade:- We came out strongly in the first quarter but unfortunately things didn't go our way for the rest of the game. Best on Court this week went to our young gun Amy Twigg. Amy has really stepped up this year playing senior netball, she gives everything 100 per cent even when put in different positions. The team continues to keep

never give up attitude. BOC Mug & Sportspower - Amy Twigg, IGA voucher - Sophie

A Grade:- We had a slow start but we were able to come away with a 39-31 win. It was a strong defensive game from both teams, with Bullioh pushing our attackers wide. Mae Jackson switching from defence to wing attack provided us with some much needed drive into the goal third. Bridie Sheather played her first A grade game putting on a great performance in wing defence, taking a number of intercepts and helping bring the ball down the court.

After the slow start it was great to see the girls be able to adjust and do the hard work needed to play our game and get the win.

BOG Mug & Sportspower - Mae Jackson, Black Sheep Bridie Sheather.

BLUES NEWS Football

Cudgewa ace John Spencer snaps a goal despite the close attention of the Tumbarumba defence.

Seniors:- Coming back after a refreshing bye the boys started off like we were still on it.

Credit to Tumba, they showed up to play but luckily our accurate kicking - 10 goals straight - kept us ahead for the first half. Tumba had the same scoring shots 2.8 and outplayed us in that period.

After some much needed orange slices and jelly beans at half time the Cudgie boys came out a different team and played the way we should kicking 13 goals to 5. Our burly full forward (Big Grizz) kicked a nice bag of 10 followed by Hally with 4 and Craig Lesbo and Darcy with 3.

Best : Jack McInerney, Jake Hill, Craig Lieschke and Grizz.

Vpper Nurray Sport **Blues shoot the lights out**

After a week off with a suspension, Cudgewa sharpshooter John Spencer got back on track with a 10goal haul in a remarkably accurate team demolition of Tumbarumba, with the Blues kicking 10 straight majors in the first half.

Cudgewa booted 7.0 in the first term followed by 3.0 in the second quarter as Tumbarumba slowed the slaughter but the Blues put the accelerator down in the second half to burst away for 92-point victory.

Craig Lieschke is hitting top form and he, Jake Hill and Darcy McKimmie created havoc between the arcs to constantly set up their forwards. The Roos defence was powerless to stop the onslaught and their forwards were incapable of making much impact on the scoreboard.

Despite the absence of leading goal kicker Ash Murray, Bullioh kept Corryong to a total score of 3.3 (all kicked in the second quarter) in a 26goal mugging with utility Kelvin Wallace stepping up for a 10-goal bag. His partner-in-crime Nash Macauley chimed in with six majors as the Dogs scored at will against a paper-thin defence.

Bullioh 11 d Corryong 9 This Week

Corryong hosts Cudgewa on Saturday in what will be another percentage-booster for the Blues who have hit top gear with most of their list available for selection. The Demons just don't have the resources to stop the Blues potent forward pairing of leading goal kicker John Spencer and Ben Hall while trying to kick a winning score against Cudgewa's miserly

defence. Bullioh at home is also likely to post a big score

Tumbarumba captain Jim Waters gets his kick away as Ben Hall gets sandwiched.

against a Tumbarumba side that is combative but doesn't boast the depth of the opposition. The Dogs' are consistent across all lines and have shown that they are a force even without gun forward Ash Tvrell.

In A grade netball, the undefeated Cudgewa can expect a tough encounter against Corryong which got within six goals of the Blues at their last meeting, however the Demons would have to lift their consistency to grab the points.

Bullioh's home court advantage is likely to get them the victory over Tumbarumba in the other match.
